WE TAKE CARE OF THE REST!

QUICKSILVER[®]
INFLATABLES

“

Q

QUICKSILVER INFLATABLES are more than just dinghies or tenders, they are the perfect choice when you want portable, affordable fun. Quick to set up and quick to stow, most Quicksilver Inflatables can easily fit in a car boot or boat locker due to their portability and lightweight construction.

Whether you need a ship-to-shore tender craft or a lightweight, nimble, and affordable boat for family outings at the lake or beach, Quicksilver Inflatable Boats are up to the task. With a variety of sizes, flooring and hull designs available, you are sure to find the one perfect for whatever use you have in mind.

ACCESSORIES

ELECTRICAL

Be seen and be safe with our Navigation light kit and protect your battery from water splashes.

FISHING

Enjoy your time on the water fishing with our selection of rod holders and folding net.

FUEL

Attwood Fuel tanks are perfect for use with any outboards and are easy to carry out for refuelling.

LIFEJACKET

The Mercury automatic lifejacket and the Quicksilver lifejackets have an ergonomic design and are lightweight.

MOORING

Attwood's folding anchors are ideal for inflatable boats and folds up easily for storage. Our Marine ropes offers high strength-to-weight and meet the needs of any boater.

PUMP

Safely remove unwanted water or other liquids from your boat with our hand bilge pump.

SAFETY

Reboard safely and comfortably with our wide range of ladders.

STORAGE

Store your belongings with our dry bags, store your engine with our strong outboard motor carriers and transport your inflatable boat with the lightweight launching wheels.

ENGINE

Give your outboard a performance boost and improve the boat stability and handling.

POWERED BY MERCURY

EXPERIENCE THE BEST IN BOATING

When you rig your Quicksilver Inflatables boat with a Mercury Outboard, you're not just getting the best power available. You're getting an experienced team of boating enthusiasts who are dedicated to taking care of you. No matter how you want to use your boat – fishing, cruising or just relaxing on a sunny day. Everyone at Mercury is here to make sure each minute you spend on the water is unforgettable

2.5 - 6hp

BEING LIGHT AND AFFORDABLE ISN'T THE WHOLE STORY

For outboard engines in this horsepower range, portability is key and Mercury's 2.5 - 6 hp FourStrokes are among the lightest outboards in this class. Every Mercury portable FourStroke is packed full of features, such as our automatic reverse locking system to our convenient integral fuel tanks.

8 - 9.9hp

STILL THE LIGHTEST IN THEIR CLASS

Mercury's 8-9.9 hp FourStrokes are still the lightest in their class, but being lightweight doesn't mean cutting corners. Our 8-9.9 hp FourStrokes feature a convenient multifunction tiller handle that provides easy one-hand shifting operation.

15 - 20hp

GET MORE OF EVERYTHING

More power. More control. More comfort. The new Mercury 20 hp and 15 hp FourStroke outboards are designed to improve every minute of your time on the water.

AMBIDEXTROUS TILLER

The new centre-mounted tiller provides simple horizontal adjustment and reversible throttle grip rotation for port or starboard installation.

25 - 30hp

LOW END TORQUE

These 25 - 30 hp FourStrokes may be small on horsepower, but they're big on displacement. Featuring loads of strong, low end torque, these outboards have the power needed to get you up on plane with immediate throttle response and quick acceleration

PEACE OF MIND

Every pleasure use Mercury outboard, are eligible to an extended 5 year warranty coverage as standard manufacturer's warranty for your peace of mind. Five-year limited non-declining, factory-backed. Conditions and exclusions apply. Not applicable for commercial and racing applications.

BUILT TO LIVE IN WATER

Mercury provides all pleasure craft engines limited corrosion protection for three full years.
